

MEMORANDUM OF UNDERSTANDING

Between

The Kharapunath Rural Municipality of Humla

and

Nepal Climate Change Support Programme –Phase 2

1. This Memorandum of Understanding shall be read in conjunction with the following documents that constitute the operational framework for the delivery of the NCCSP2 programme supported by its Technical Assistance agent Mott MacDonald Limited (NCCSP2 TA):
 - a. "MoU for financial aid (On-budget, off-treasury) and technical cooperation between the Government of the United Kingdom of Great Britain and Northern Ireland acting through Department of International Development (DFID) and The Government of Nepal" for Climate Smart Development Programme dated 24 May 2017.
 - b. Relevant Federal Democratic Republic of Nepal regulatory frameworks
 - c. NCCSP2 Operational Guidelines, describing the roles, responsibilities and applicable procedures in more detail (Annex II)
2. The Technical Assistance arrangements and the purpose for which the Funds will be used are set out in this Memorandum of Understanding (MoU) and its Annexes, collectively referred to as "this Arrangement".
3. In Climate Resilience Development Planning (CRDP), the signatories agree to follow policy direction provided under the Local Adaptation Plans for Action Framework (2019) and the National Climate Change Policy (2019).
4. The MoU will cover the Fiscal Year 2076/77 (i.e. 2019/20).

Roles and Responsibilities

5. Kharapunath Rural Municipality as the Implementing Agency:
 - Planning of CRDP schemes ensuring climate change resilient development as part of regular planning and budgeting process
 - Prepare the necessary documents (e.g. Detailed Project Reports, implementation and monitoring plans, contracts, etc)
 - Undertake technical and financial due diligence of potential UCs and contractors
 - Make funds and resources available from the Municipality's own budget

Johan Bentinck
Team Leader,
Technical Assistance for NCCSP - 2

- Prepare and issue contracts with UCs and contractors
- Monitor progress of the CRDP schemes, and certify invoices for release of payments by NCCSP2 Fund Manager
- Maintain project records and accounts and provide a copy when they request payment release from NCCSP2

6. NCCSP2 TA (Mott MacDonald Limited)

- Take an active role in programme management and delivery
- Provide information and capacity building Kharpunath Rural Municipality on Climate Change resilience policies and schemes
- Guidance in the preparation of plans, costing and designs of CRDP schemes, including design of quantifiable milestones for payments.
- Quality inspect procurement process of third parties and Contracts between Kharpunath Rural Municipality and implementing organisations
- Quality inspect Kharpunath Rural Municipality oversight tasks
- Recommend payments based on verification of achievement of milestones (quality/completeness)
- Provide necessary technical support and guidelines to the Municipality and MoFE as required during implementation of NCCSP2

Fraud and Corruption

9. The Kharpunath Rural Municipality and NCCSP2 TA will immediately and without undue delay inform DFID of any event which interferes or threatens to materially interfere with the successful implementation of the Project(s), whether financed in full or in part by DFID, including credible suspicion of or actual fraud, corruption or any other financial irregularity or impropriety.
10. The Kharpunath Rural Municipality and NCCSP2 TA have a zero tolerance approach towards fraud and fraudulent behaviour that may lead to the misuse of funds and agree in principal to recover such funds. The Kharpunath Rural Municipality will, at first, take timely and appropriate action to investigate credible allegations of fraud.

General Termination

11. If provisions of the Arrangement have not been fulfilled by the Kharpunath Rural Municipality or the partner organisations, or if any activities occur which significantly impair the development value of the Project(s), NCCSP2 TA will discuss with the Kharpunath Rural Municipality and form an assessment. DFID may then take any of the following actions:
 - Signal a possible future response; and
 - Stop fund disbursements under the termination provisions set out within this Arrangement.
12. All Participants will at first negotiate to resolve any issues that might arise throughout the Project(s). However, this Arrangement can be terminated, at any time, by four weeks' written notice by either participant. All remaining funds other than those irrevocably committed in good faith before the date of termination, in line with the objectives of the Project(s) and approved between the three participants as being required to finalise activities, will be returned to the Fund Manager.
